

Ram Ram Maharaj Ji,

Thank you, so much for calling me to the Sadhna Satsang in Haridwar. The experience definitely made me realise what life is really about. This Satsang was truly very different from the Open Satsang in USA, it was much more spiritual and strict. By strict I mean that it was much more ruled. There were many more bethaks(sittings) in the satsang. The part that I always find the best is the Poorti. I like this because when you do Prarthna, you talk to Ramji on our behalf. This part always makes me realize all the sins that I have done in my life.

Another part that was very good was the last bethak, at the very end, the Joke bethak. Many of the jokes were very good specially yours'. It was very funny but at the same time it was very true. Thank you, very much for giving my room the Jaap time of 10-11 P.M., so that we could attend each and every sitting, especially the walk to Neel Dhara. It was really amazing to visit the place where Swami Satyanand ji Maharaj was submerged after death. I really did not think that those 3 days would go by as fast as they did. I also wanted to tell you that Anil Uncle of us really wanted to attend this satsang and was very upset when he had to leave. Today, 8.9.09, we are leaving to go back to USA.

Whenever I leave India I donot know why but it feels as if I am leaving behind a very important part of my life, but I know that you are always with me. Please forgive me if I forget to do Paath as I do.

Ram Ram
